

Healesville  
Community Bank® Branch

## From The Chair

Another financial year has come and gone so quickly. The wonderful staff team at Healesville have been working tirelessly to provide a number of special benefits to customers as well as the full range of banking services at the branch and the Directors have been out and about and working with so many of our amazing community groups.

Directors continue to be greatly encouraged by the huge commitments of local people serving as volunteers with so many active community groups. If I mention these by name I am sure to leave someone out but suffice to say that our community has a rich tapestry of groups, both large and small, that make a real difference to the quality of community life, the sense of connectedness and the services that can be provided to those in need. If you have not yet joined us, please don't hesitate to drop into the branch and speak with one our friendly team.

Our community bank equally relies on the goodwill and support of shareholders and the broader banking community. The more support we get from individuals utilising our banking services the more support we are able to give to local community groups.

To recognise the significant contribution of shareholders and others we are holding a free Community Movie Night at the Memo Hall on Thursday 18 August at 7pm. At the time of this going to print there are a few tickets remaining so please contact the branch if you have missed out.

For those coming into the Branch you will notice a couple of staff changes over coming weeks. We are saying farewell and a big thank you to our Branch Manager, Wilma Gibson, and to Meg Charlwood for their huge contributions. We welcome Rebecca Parsons to our team and we look forward to announcing our new Manager in coming weeks.

Serving our community and yours...

**Bruce Argyle**

**Chairperson**

**Healesville & District**

**Community Enterprise Ltd.**

A BIG 'thank you' to our shareholders and customers who helped celebrate Healesville Community Bank's fifth birthday in February. . . .

Special thanks to two special customers, Brian Luscombe and Alex Collings who share the bank's birthday of 18 February, and were the natural choice to cut the birthday cake.

## Our Community Empowered & Thriving

THE six-months since our last newsletter has been a busy one for the Community Investment (Sponsorship) Committee working with a number of community groups to create new, and to strengthen existing, partnerships.

Mutual benefit is a strong message accompanying sponsorships such as the inaugural Rotary Dog Show, the HICCI Walkathon, the Mountain District Car and Bike Show, Healesville Pony Club Dressage Event, Healesville Film Society Film Festival, installation of goal post guards at Healesville Football Club, Healesville Bowling Club's Corporate Challenge and the very successful Motorvation Youth Driver Education Program.

This program was run in conjunction with Healesville High School and Healesville Football Club and attended by around 30 VCAL students.

We are very pleased also to be working collaboratively with the Warburton/Yarra Junction and Woori Yallock Community Banks to support another potentially life-saving youth driver education program, the Trip (Teenage Road Information Program) on Wednesday, 3 August. (Ask at the branch about this program if you know of someone 16 to 25 who could benefit from attending this program).

We have also invested in local football, cricket, soccer, basketball and netball.

Upcoming events we are also supporting include the C J Dennis Poetry Festival at Toolangi and Healesville Primary School's 150<sup>th</sup> Celebrations, both on Saturday, 22 October, and the Healesville Music Festival on the weekend of 11-13 November.

We encourage you to support and enjoy these events.

Sponsorship and marketing funds are allocated to Healesville Community Bank by the Bendigo Bank based on the banking support we have from our local community.

The more banking dollars we get, the more Bendigo Bank chips in for the community projects we are passionate about supporting.

It's a win/win - Your Banking Working for Your Community.

Kath Gannaway

Chair – Community Investment Committee

## Join us at the Movies

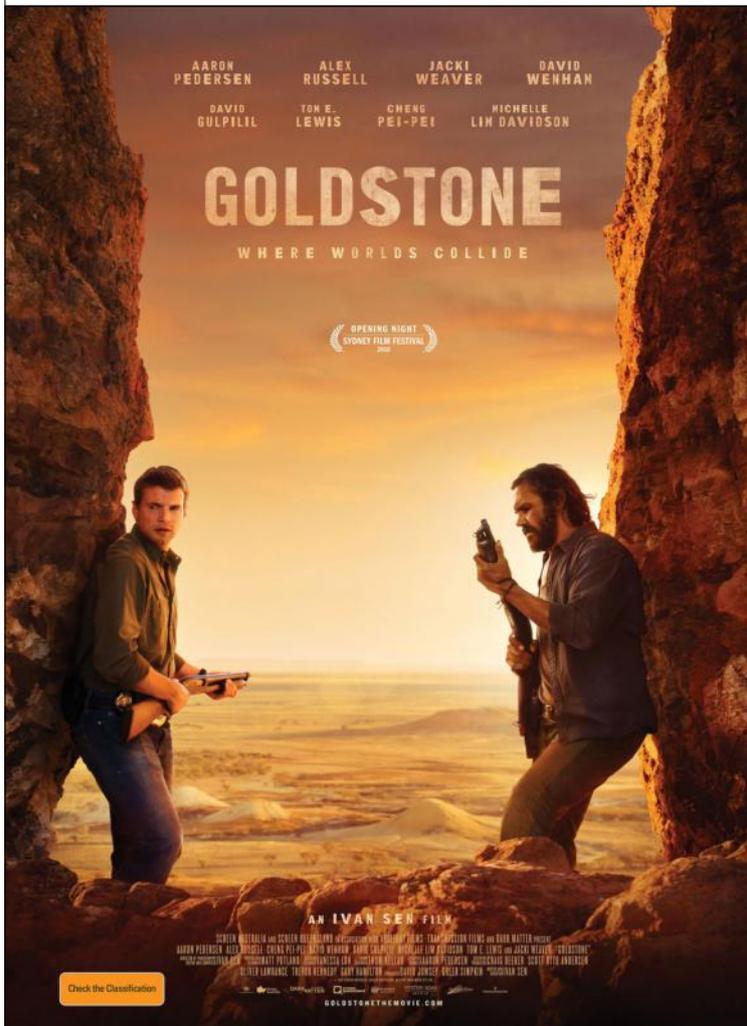

Directors and staff are looking forward to meeting up with lots of our shareholders at the movies on Thursday, 18 August.

Invitations went out recently, but if you haven't received yours, call in at the bank to register your name.

The movie is the Australian mystery-thriller **Goldstone**. Set in the outback it stars Aaron Pedersen and Alex Russell with Jacki Weaver, David Wenham and David Gulpillil, and has had excellent reviews.

It's Indigenous filmmaker Ivan Sen's second film, following 'Mystery Road'. "The cinematography of the distinctive countryside around Winton, Queensland, is worth the price of admission alone," one reviewer wrote.

See you at the movies!

## Teenage Road Information Program

The TRIP Program is an excellent initiative that can make a huge difference in attitudes and the frequency of accidents causing injury and death. Sadly, over the past 12 months, figures reveal that accidents caused by distractions from mobile devices have more than doubled. Young people comprise 30% of these fatalities, more than double their age cohort size.

There is no going back – lives are changed forever in a few seconds. The TRIP program can make a real difference and the Healesville **Community Bank**® branch is proud to be associated with it, in partnership with our amazing Emergency Services.

Our thanks to McKenzies Tourist Services for sponsoring a free bus from Healesville. The TRIP bus will leave from the East End bus stop at 6 pm.

An indication of bus numbers will be helpful, so please ring 5962 5131 if you intend to go by bus.

## Yarra Valley Emergency Services

invite you to ...

# Teenage Road Information Program

Heritage Funeral Homes  
Healesville - Koo Wee Rup Rd  
Woori Yallock

Wednesday 3rd August 2016  
6.30pm for 7.00pm start

RSVP / Enquiries to:  
yarra.valley.trip@gmail.com

This program gives an in-depth insight into what happens to road crash victims and the aftermath from injuries and fatalities.

It is designed to be a hard hitting presentation and is delivered by the presenters who have lived through their own experiences and emergency service personnel who attend the crash scene and experience the devastation caused.

## Community EFTPOS Facility

Healesville **Community Bank®** branch has a Community EFTPOS facility available for community groups, organisations and clubs. This facility enables instant payment of club registrations or fees at your annual meeting or registration night.

For more details of this convenient facility, and your eligibility, contact Jayne on **5962 1011**.

## Direct approach to switching banks

How many people does it take to change a direct debit?

It's not a joke - one of the main reasons people give for not changing banks is the perceived difficulty in transferring their direct debits.

Our friendly staff can help.

If you just don't know where to start with direct debits, call in and have a chat ... it may be the light-bulb moment you were waiting for.

The more our business grows, the more we can put back into the community.
